Equity in Action: Bridging gaps for skin cancer

Thursday 18 June 2026: **Optional pre-Summit workshops**

9.00 am
to 12.30 pm

Skin Surgery Masterclass

This Masterclass aims to increase confidence in performing more advanced surgical techniques which can be accomplished in a primary care setting.

Targeted at General Practitioners and other healthcare professionals who are confident with common surgical procedures and would like to upskill to the next level, this interactive workshop will explore:

- Lower limb: surgical pearls with a focus on keystone flaps and BTM
- Ear reconstruction and grafts: techniques and best practices
- Scalp closures: tips and tricks with a focus on flap geometry

Presenters:

- Dr Susan Seifried – General and Endoscopic Surgeon, Nelson Marlborough Hospital
- Mr Dan Butler – Plastic and Reconstructive Surgeon, Tauranga Hospital
- Dr Marc Lawrence – Consultant Dermatologist, Mohs Surgeon

Important Note:

This workshop is theoretical in nature; no hands-on surgery will be conducted during the session.

1.30 pm to 4.30 pm	<p>Advanced Dermoscopy Masterclass</p> <p>This Masterclass is designed to deepen understanding of dermoscopy and refine skills in diagnosing complex skin lesions with greater accuracy.
